A MESSAGE FROM THE DIRECTOR

NOVEMBER 2026

Dear beloved community

As we welcome November, I want to take a moment to speak directly to our SNAP family about where we are, how far we have come, and the many opportunities that continue to lie ahead.

While we continue working toward securing a temporary home and look ahead to the completion of our future permanent location, I want to reaffirm one important message: SNAP is still here. We are still open. **We are still serving you, and we are still moving forward**!

Although our daily routines and gathering spaces have changed, our commitment to our members has never wavered. Transportation services and case assistance continue to be valuable resources, while our trips, special activities, celebrations, and community events give us opportunities to stay connected. Mental health support through CAPE will continue on Wednesday 11/4 10:15 am. Malka is scheduled to come to Brookville to do engagement, a presentation for older adults called Apples to Apples. This activity it is open to both Brookville and SNAP EQ clients. 11/25 Malka will be doing another engagement with clients at 10:30 am called an Attitude of Gratitude. Friday 11/6 She will start seeing clients individually. Malka will be engaging clients at Brookville and seeing clients in-person. If you need transportation to participate in any of these activities our vans are available. Please make an appointment with Mike for pick up.

We are especially excited about the activities planned for November, including our Thanksgiving Luncheon at Antun's of Queens Village on Tuesday, November 24, and our upcoming Holiday Celebration at Marbella on December 16. These events remind us that even during times of change, there is still so much to celebrate and look forward to together.

Our circumstances may have changed where we meet, but they have not changed who we are. SNAP is more than a building. It is the friendships we have formed, the memories we have created, the laughter we share, and the support we provide to one another. Our members are the heart of this organization, and we remain committed to finding ways to keep our community engaged, connected, and supported.

We are also encouraged by the progress toward our future permanent home. Work on the new building is in progress and we are looking ahead with renewed optimism as we anticipate the next chapter for SNAP. While there is still a journey ahead, we remain hopeful and excited about the future.

As we continue through this transition, I ask that we remain patient, support one another, and help minimize rumors and misinformation. I understand that change brings questions and concerns. We are committed to keeping you informed as updates become available. Please continue to reach out directly to me or the SNAP leadership team for the most accurate information. **Your trust is important to us, and open communication will continue to be a priority.**

November is a time to reflect on gratitude, recognize the people who make a difference in our lives, and appreciate the strength of our community. Let us carry that spirit into everything we do. Whether we are attending an event, enjoying a trip, celebrating a birthday, or simply checking in on one another, every opportunity to connect matters

With appreciation and hope,
Nina Bhola-Cruz, MA
